

QUICK RULES

REQUIREMENTS

- 4 players
- 1 volleyball
- 1 board

POINT SYSTEM

- Games are played to 21 points
- 'Win by 2' will always be in effect (you can agree on a cap)
- Every play will result in a point
- There are no bonus points/double points for any type of play

VISUAL OF SETUP

TEAMS

A maximum of 2 teams play at once and each team consists of 2 players

SERVICE

CLEAN SERVE

- To serve, you must stand a distance of at least 8ft away from the board.
- Bounce the ball onto the black surface of the board, to the player diagonal from you
- Winners serve. Switch positions with your partner after every successful point.

FAULT SERVE

- If your serve hits the "red" edge, it is considered a "fault", which means you get one more chance to hit the ball onto the black surface (like one fault in tennis).
- If you miss the board completely, this is considered a missed serve or an "air ball" and you do not get a second serve.

RALLY

OFF A SERVE

- Off a serve, you must pass to your partner before bouncing the ball back to the opposing team. Once a ball has been returned from a serve, you can hit the ball back on the first touch.

3 TOUCHES

- You get a maximum of 3 collective touches before the ball must be bounced back onto the black part of the board to the opposing team (see "black ball" below).

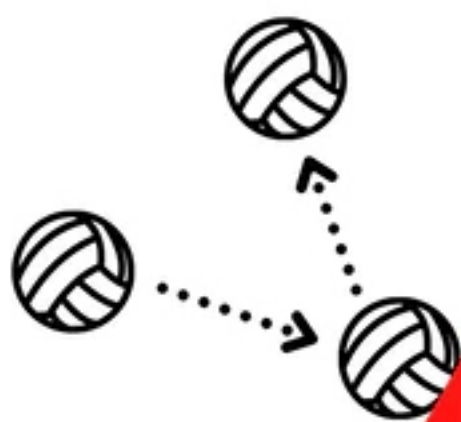

"BLACK" BALL

If your ball hits the black, flat surface of the board, it is considered a clean hit from your team, and the ball is officially in the possession of the opposing team.

"RED" BALL

If your ball hits the slanted red edge of the board, the ball is considered a "red" ball, meaning that the count of touches for your team resets and you and your teammate have another 3 touches to return the ball.

DOS

- You can move 360 degrees around the board to make a play.
- You can use any part of your body so long as it is a clean play and you do not lift the ball.
- If playing indoors, you can bounce the ball off the walls to your partner, but not back to yourself.

DON'TS

- Don't double touch the ball.
- Don't lift the ball.
- Don't interfere when the other team is returning the ball.
- Don't touch the board at any point. If you touch the board, you lose the point.
